## Week 7: w/c 17.7.17

We have come to the end of another busy year at St John's. I would say this has been our best year ever and the school has continued to go from strength to strength.

I would like to take this opportunity to thank our very talented staff for their hard work and dedication this year. All of their efforts have certainly paid off.

Thank you to all of you too. St John's has such an inclusive and community feel that really does make it a very special place for your children to be educated. It is a real privilege to be the Head Teacher here and I look forward to working with you all next year.

**Have a fantastic summer break and very best wishes.**

**Mr D Barrow**  
Head Teacher

## Children's Centre

There always seems to be a downside to counteract the positives. You may have read the very disturbing press reports that we are in serious danger of losing our Children's Centre in Kenilworth. This saddens me greatly. Even when we lost the bid to Barnardo's three years ago, I made the very conscious decision to maintain our existing links with the Children's Centre and build on them. I know that our relationship is stronger now than it ever was, and we have enjoyed three happy years of partnership working for Kenilworth children and families.

We are living in a climate of budget cuts, but I feel so strongly that cuts are being made in the wrong areas. Kenilworth needs its Children's Centre. The very fact that we have recruited a Family Support Worker to work alongside them should surely indicate a need. Please could I urgently ask you to look at the consultation and make your opinions known and counted?

## Goodbye and Thank You

Goodbye to our fantastic and hugely talented Year 6. They are a very special cohort to me as they were my first class when I came here! I remember them like it was yesterday with Ms Kelly in Year 1! These children have never ceased to amaze me as they have grown into the responsible and positive young people they are today. They really have been my favourite Year 6 yet!

Goodbye and huge thanks too to Miss Kerry who has had a lovely year covering Mrs Fenner's maternity leave. Miss Kerry has a follow-on job in Coventry. She goes with our very best wishes.

Last but not least, Mrs Smith will be leaving us. I would like to say a big thank you for her work and perseverance with nurture this year.
